

Tim Chambers also known as the “Saluting Marine” was a special guest at the Cherry Hill American Legion for this year’s Veterans Day services. Every year our American Legion combines our Veterans Day and flag retirement services. It is our way to pay tribute to all Veterans past and present. Tim is known for standing at attention and saluting all the various motorcycle groups who pour in Washington DC on Memorial Day. It is a show of respect for all Veterans. He also travels the country, honoring our veterans and educating our children.

To have Tim be a part of our annual celebration was a wonderful compliment for what we stand for throughout the year. He is an inspiration for many and has shown the utmost respect for all members of our military. For God and country, Thank you for serving.

COMMANDER’S MESSAGE

I find myself reflecting over the past few holidays and am reminded of how time flies by and the many activities

that have taken place over the months since our last newsletter. Veterans Day: A day to remember all those that have served their country. The post had a full house on this special day. Boy Scouts Troop 70, Cherry Hill Council County Veterans and a very special guest “The Saluting Marine” retired staff sergeant Tim Chambers was guest of honor. He made us proud to be Americans with his stories of fellow veterans and how much they gave up for us and continue to give and asked that we honor them by caring and give help where needed. This program was moving and found many of us reflecting on how great this country is to have the freedom so many

have given their lives, thank you to all who have served their country. Thanksgiving Day: It had been decided not to have a Thanksgiving feast in Cherry Hill due to decline of military staff. As a show of support the legion riders and other members from the post made their way to the Battleship New Jersey on the Camden water front to pay tribute to the vets. On December 6th members of Post 372 flagged Chapel Avenue in Cherry Hill for their support in a 5K run for Cpt. Dalessio.

As the holiday season approaches may I wish you the gifts of love, friendship, and good health. As the year 2013 comes to an end we at the post look to 2014 with new activities and adventures, our main activities Boys and Girls State, Riders cook off and before we know it American Legion baseball. Please try to attend the general membership meetings as we need new ideas and all the help we can get, please think about it.

I sincerely thank all our officers and trustees in helping to run our post in an efficient and proud manner in 2013 along with our bartenders. Thank you one and all.

May the beauty of this season bring you many special joys, and on a personal matter thank you legion family for your kind expressions of sympathy in our time of sorrow for our daughter in-law Colleen you helped ease our pain.

In the spirit of the recent holidays, I offer #372 Members some gifts/goodies collected from anonymous sources.

The following information can be worthwhile and inspiring;

"Betcha Didn't know this..."

During WWII, U.S. airplanes were armed with belts of bullets which they would shoot during dogfights and on strafing runs. These belts measured 27 feet long, contained hundreds of bullets, and were folded into the wing compartments that fed their machine guns. Often times, the pilots would return from their missions having expended all of their bullets on various targets. They would say, "I gave them the whole nine yards" which meant they had used up all of their ammunition.

Ladies wore corsets, which would lace up in the front. A proper and dignified woman, as in "Straight laced" wore a tightly tied lace.

Common entertainment included playing cards. However, there was a tax levied when purchasing playing cards, but it was only applicable to the Ace of Spades. To avoid paying the tax, people would purchase 51 cards instead. Yet, since most games require 52 cards, these people were thought to be stupid or dumb because they weren't "Playing with a full deck".

Early politicians required feedback from the public to determine what the people considered important. Since there were no telephones, TV's or radios, the politicians sent their assistants to local

taverns, pubs, and bars. They were told to "go sip" some ale and listen to people's conversations and political concerns. The two words "go sip" were eventually combined when referring to the local opinion and, thus, we have the term "gossip".

At local taverns, pubs, and bars, people drank from pint and quart-sized containers. A barmaid's job was to keep an eye on the customers and keep the drinks coming. She had to pay close attention and remember who was drinking in "pints" and who was drinking in "quarts". Hence, the phrase "Minding your P's and Q's".

As incredible as it sounds, men and women took baths only twice a year (May and October). Women kept their hair covered, while men shaved their heads (because of lice and bugs) and wore wigs. Wealthy men could afford good wigs made from wool, but these wigs could not be washed. To clean them, they would carve out a loaf of bread, put the wig in the shell, and bake it for 30 minutes. The heat would make the wig big and fluffy; hence, the term "big wig". Today we often use the term "Here comes the Big Wig" because someone appears to be, or is, powerful and wealthy.

WHAT STARTED THE FIGHT...

I took my wife to a restaurant for New Years. The waiter, for some reason, took my order first. "I'll have the rump steak, rare, please." He said, "Aren't you worried about the mad cow?" "Nah, she can order for herself." **And that's when the fight started...**

My wife was standing nude, looking in the bedroom mirror. She was not happy after the holidays with what she saw and said to me, "I

feel horrible; I look old, fat and ugly. I really need you to pay me a compliment." I replied, "Your eyesight's damn near perfect."

And then the fight started...

My wife was hinting about what she wanted for our upcoming 10th anniversary. She said, "I want something shiny that goes from 0 to 150 in about 3 seconds." I bought her a bathroom scale. **And then the fight started...**

My wife sat down next to me as I was flipping the channels. She asked, "What's on TV?" I said, "Dust." **And then the fight started...**

HOW ABOUT SOME MORE MEMORABLE LINES FROM RODNEY DANGERFIELD;

*I was so poor growing up ... if I wasn't a boy ... I'd have had nothing to play with.

* A girl phoned me the other day and said, "Come on over; nobody's home." I went over. Nobody was home.

* During sex, my girlfriend always wants to talk to me. Just the other night she called me from a hotel.

* One day I came home early from work ... I saw a guy jogging naked. I said to the guy, "Hey buddy, why are you doing that?" He said "Because you came home early."

* I was such an ugly kid...When I played in the sand box, the cat kept covering me up.

*It's been a rough day. I got up this morning ... put a shirt on and a button fell off. I picked up my briefcase, and the handle came off. I'm afraid to go to the bathroom.

*I could tell my parents hated me. My bath toys were a toaster and radio.

Members of the American Legion attended the annual POW/MIA Holiday Candlelight Service in Lindenwold NJ on December 7th.

Every year the SAL Members help prepare the Legion for the winter months by splitting wood. Let's hope we've got enough to endure what appears to be a cold and blustery winter season.

Holiday Legion collections included items for the Food Baskets, Pet Food / Bones , Toys for Tots and Home for the Brave. Home for the Brave has many homeless veterans transitioning to housing and many people have stepped up to donate household items to help them in their transition. We still are accepting donations for these veterans. Drop them off at the Legion.

Guess Who?

Congratulations goes out to Auxiliary member Kathy Benson as the proud new owner of a Snowman that was raffled in November !

Members of the American Legion attended the Memorial Service for Oaklyn SAL Member Rob Nagle. Rob served as past SAL Commander and was very involved in helping our veterans. He will be sorely missed.

A Very Special VETERANS DAY ... Awards Presented to our Legion Officers/Members

While every Veterans Day is a special occasion—one marked with honoring ALL our veterans—this past Veterans Day at the Legion was especially heartwarming.

The Legion Hall was packed to capacity with Legion members, fellow veterans, family and friends, and about 60 Warriors Watch Riders standing a flag line as Commander Bill Quinn opened up the days Ceremony.

The Boy Scouts posted the colors, our new Chaplain, John Murphy performed the Invocation, and Senior Vice Commander, Tim Kraft gave a heartfelt speech, making sure to include the POW/MIA Table symbolism, which was displayed up front.

The Service was followed by Rev Floyd White, of the Camden County Veterans Affairs, presenting Military Service Medals to our beloved Legion Officers/Members. As family and friends looked on, the following Legionnaires were presented with their well deserved Medals;

Past Camden County American Legion Commander—Al Peak

American Legion Post 372 Commander—Bill Quinn

American Legion Post 372 Senior Vice-Commander—Tim Kraft

American Legion Post 372 Past Commander—Ernie Brosh

American Legion Post 372 Past Commander—Charles Macukewicz

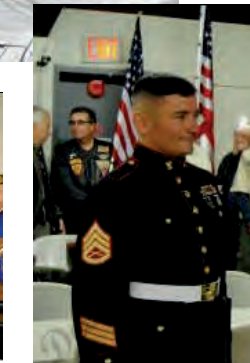

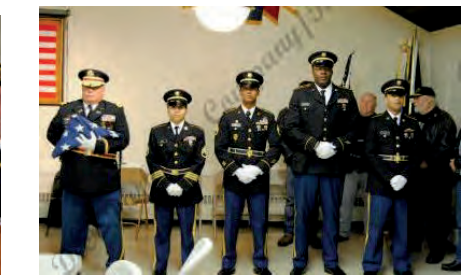

American Legion Post 372 Member Gus Branco

Other special guests included Tim Chambers—"The Saluting Marine" (*more on him in another section of Scoop*) - who arrived at our Legion with a full motorcycle escort by the Nam Knights of America MC, Cherry Hill Town Council Member, Susan Shin Angulo, Camden County American Legion Commander, Steve Fisher, Jewish War Veterans Commander Perry Levine, and Don Albertson of Home for the Brave—a homeless veterans facility.

As in our usual Veterans Day tradition, a Flag Retirement Ceremony was performed by our own Steve Reinis and crew.

Following the Service, a full buffet was served for all to enjoy. It was a great day all around—a day of recognition for all our veterans..

Giving Thanks at Thanksgiving....

A nearly decade-long Thanksgiving tradition, Cherry Hill's Thanksgiving for the Troops, came to an end this past year, but a new one took its place.

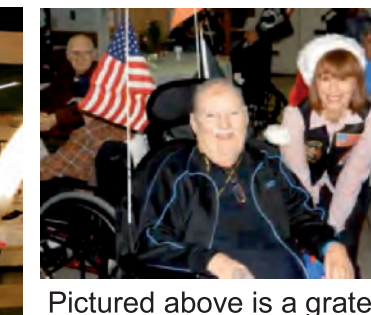

For nine years our Legion members have participated in a surprise Thanksgiving dinner for the military men and women who were unable to be home for the holiday.

Due to the drawdown in Iraq and Afghanistan, the numbers dwindled, so a Thanksgiving for some of our active military who couldn't be home and our local homeless veterans and their families were served a full meal on the Battleship NJ.

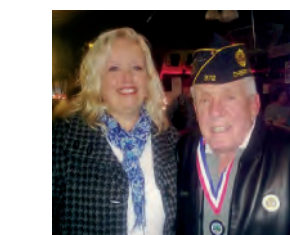

Our American Legion Members were among hundreds of people that came out to greet and thank our veterans.

Pictured above are members of the Legion Auxiliary preparing 30 shoeboxes of goodies for the homeless veterans of Home for the Brave. Commander Bill Quinn, Sr Vice Commander Tim Kraft, Aux President and Vice President, Carol Colucci and Sandy Kraft were among the members that delivered the goodies to the Home for the Brave on Dec 17th.

Pictured above is a grateful veteran from the Lyons VA Hospital. Our American Legion donated 144 12 x 18 American Flags to the veterans. We received a request for the flags - the veterans wanted them to display on their wheelchairs. The American Legion of Somerville delivered the flags, along with a lot of other presents/goodies —via Santa on December 14th.

Members of the American Legion, along with the Warriors Watch, and AMVets, participated in the 6th Annual Capt Greg Dalessio Memorial Run. Capt Dalessio, a Cherry Hill native, was killed in 2008. The Riders did a motorcycle/flag line. Other members flagged the route and the Auxiliary provided bananas and oranges, as done in the previous years. And of course, as usual, our own Senior Vice Commander, Tim Kraft, was on hand with our friends of the Cherry Hill Rehab Unit to help keep us all warm by providing us with hot chocolate & coffee !!

MESSAGE FROM THE LEGION RIDERS DIRECTOR

Hello Riders
We have had a very busy fall season. There was a very good turnout for the Run For the Fallen. Support for this event included the Riders as well as other post members. We had a few issues along the way to the event, with a failed engine, split tires, and a bike that was stubborn about starting. Almost everyone made it and the mission was completed. The families of our fallen heroes are very appreciative of the support they receive. The Riders participated

in Flag lines for Paul's brother and fellow Rider, William Nieczpiel, on Thanksgiving Day at the Battleship New Jersey, and for the 6th Annual Greg Dalessio 5K Run/Walk. Riders also participated in the Pennsauken parade supporting our fellow AmVet Riders. It seems the more in climate the weather gets, the more active we get as Riders. While we all cannot get to every event, the support has been excellent. It is our duty, honor, and mission to support our heroes and their families. The Comfort Food Cook-off is coming up in February. This has been a good winter event. Carol has trav-

eled around to a few posts with the flyer and made challenges. I believe we have enough culinary expertise to back her up. It should be a fun family oriented event in February. I wish you all a wonderful holiday season

MESSAGE FROM LADIES PRESIDENT

I think the weather man is confused. December came in like a lion, more snow so far this winter than we got total in the last few years. Hopefully it didn't mess up your family holiday plans. It looks pretty but please be careful especially if you need to go out in it, our Legion Family is very important to us.

By now everyone is aware we cancelled the Annual Children's Christmas Party. It was a tough decision to make, traditions run deep, but our pockets don't. The expense, time and effort for the few (4) kids signed up in advance was not an option. Unfortunately I heard a week late from people but by then it was too late, Santa had other plans for that day. We will try to hold our Easter Egg Hunt this spring, Our Legion Family traditions are important to us but only our members can make them continue. We must know in advance, watch for the sign-up sheet to be posted in late March.

The Auxiliary was very active with our Veterans this year but we fo-

cusced largely on our homeless Vets. Gifts were taken to the Home for the Brave shelter in Camden. Each Veteran received a shoebox filled with personal care items and goodies. We also provided some warm clothing and household items for the Vets who will be moving into more permanent housing soon. Our VP Sandy and I spent time at Veterans Haven (my pet project). We were given the complete tour and talked with quite a few of the residents. We also brought bags of warm clothing, coats, sweaters etc. These are always appreciated by our Homeless Veterans. When cleaning up after the holidays please consider donating gently used items to these projects. If you were given a new blender, toaster, towels, clothes etc our transitioning Veterans and gals need our help in rejoining the community following their time in the service.

I am sure many of you are aware there has been some confusion with our membership. The Nation-

al Auxiliary changed their computer system about five years ago. This is still creating a mess for us. If you have had any changes (married/divorced, moved etc) in the past five years please get in touch with us to fill out a member info change form, stop in the post, print out a member info form from the National website <http://www.legion-aux.org/members> and send it in or email to me at arkguild11@gmail.com. We really need these as soon as possible to get our records correct with National. If you choose to keep informed between issues of the Scoop send me an e-mail and I will send you any correspondence we have. Please put membership in the subject line. We want to keep everyone in the loop. May the New Year be healthy, happy and prosperous for you and your family. Remember to thank our Veterans, and active military. They have made us safe and deserve our appreciation every day not just Veterans Day. For God and Country,
Carol Colucci
President American Legion Auxiliary Family

MESSAGE FROM THE SAL COMMANDER

Happy New Year!!! Before I discuss upcoming events, I would like to look back at the year that was. This past year was full of great fun filled events held by the SAL and legion family including a 2nd place win for our float in Wildwood, family day, and log splitting to name a few. The following members came out in stellar fashion again this year to lend on hand on their busy Sunday: Phil Beck, Jim

Arcinese, Robert Arcinese, Rich Derer, Paul Fuerst, Ron Flynn, Dave Doraio, Henry Lewun, and oh yea....our very own cheerleader Ed Oil! The legion is a warmer place due to the effort put forth by all who attended. A new year brings new events and new memories to be made here at the post. Upcoming events include our SAL county meeting, possible super bowl party, and the comfort food cook off held by the riders on February 9th. Stop into the canteen

once in a while to receive information regarding any further upcoming events. SAL meetings are held the 3rd Wednesday of every month at 7:30 at the post. If you have not yet paid your dues for 2014 it's not too late. SAL dues for 2014 are now \$25. I am looking forward to seeing you all at our meetings and wish everyone a happy, healthy, and prosperous new year!
For God and Country,
Tim Viguers
